

Agenda - Meeting #8 - September 22, 2010 - LIB 302

1. Hello Ashley, Joner, Justin, Mike, Shantel, Lara, Kyle, Brynja, Anna, Maddi, Brad, and Jason. What are the big ideas from our reading in Chapter 4 and Chapter 5? How will we use what we have read about in our teaching practice?
2. Present and critique our construct-a-concept lessons.
3. Discuss the following activities:
 - a. Activity 5.2. p. 175,
 - b. Activity 5.3 p. 176,
 - c. Activity 5.5 p.190
 - d. Synthesis Activities #1 and 2 from pp.204-206
4. Run through a discover-a-relationship lesson by Henri Piciotto and Amanda Cangelosi. Critique.
5. Regroup and work on Activity 5.7 and Activity 5.8 (Discover-a-Relationship lesson/miniexperiment)
6. Synthesis Activity #3 p. 206
7. Does Brynja have a copy of the following assignments [Homework \(Activity 3.2 on p. 128, due last week\)](#), [Unit Plan Sketch \(Synthesis Activity #6 on p. 171\)](#), and [History of a Math Topic \(Activity 4.1 on p. 140\)](#) ?
8. Complete the following assignment prior to Meeting #9:
 - Post the results of engaging in Activity 5.7 and 5.8 under Discover-a-Relationship Lesson on Canvas. Prepare to run through your lesson with us for critique.
 - Read up to p.216. Prepare to engage in activities 6.3 and 6.4 (Simple Knowledge Lesson and Miniexperiment) during our next class meeting.
 - Make modifications to your working portfolio documents as appropriate based on feedback from colleagues.
